01

ACCENTURE BUYS A DATA FIRM

Accenture Song adds Sagacity, a London customer intelligence firm, and 140+ specialists. We think agencies should build their own data edge.

02

GOOGLE ADS ADDS CHANNEL PRIORITIES

Rolling out now: rank channels high or low, and set a spending limit on the low ones. Decide it client by client.

03

META LAUNCHES MODELS FOR AGENTS

Built for multi-step agent tasks. Developers get Muse Wonder now via Meta's Model API; Muse Wonder Full is for Muse Code subscribers.

04 · UK BUDGET GROWTH AT TWO-YEAR HIGH

+14.3%

Net balance of UK firms raising marketing budgets in Q3, the highest since Q2 2024. Industry confidence is still negative.
