01

THE GOAL

ONE FILM PER TARGET ACCOUNT

Harvey's goal: a tailored film for each of hundreds of target accounts. AI tools in Figma build them from 44 product walkthroughs.

→

02

36 FILMS IN 69 MINUTES

Harvey says one batch of 36 films took 69 minutes, once its groundwork was built. The next 97 were scripted and voiced overnight.

→

03

WHAT HARVEY SAYS MADE IT WORK

Brand rules with worked examples, one shared set of product screens, reusable animations. Films are checked automatically for clipped text before anyone watches.

→

04

ASK YOUR PRODUCT TEAM FOR THESE

- The moments buyers want to see
- One set of product screens
- Brand rules with examples
- Account notes in one place
